Are there skilled volunteers in your group?	Y N	If yes, how many?		If yes, what are their skills?	
Will your group need accommodations?	Y N	If your group builds on a Sat, would you like to provide breakfast & lunch for the volunteers?			Y N

Any comments:

- Harbor Habitat does not build on Mondays or Fridays. Full week groups, please plan to build Tues-Sat.
- Harbor Habitat has a partnership with the Women's Community Association in St. Joseph, MI and they provide accommodations for \$50/week for the entire group. They have shower and kitchen facilities available. Volunteers need to bring a cot or sleeping bag.
- All Youth Volunteers must have a certified Work Permit on file at the Harbor Habitat office before they are allowed to build on site. Please request Work Permits from our office and have them certified at high schools. No youth under 14 years of age are allowed on a Habitat build site.
- All Volunteers must have a signed Habitat Waiver of Liability on file at the office prior to building – waivers are available on-line at www.harborhabitat.org or from the Habitat office.
- Please mail (785 E. Main St./ Benton Harbor, MI 49022) or fax (269-926-4051) this form to our Harbor Habitat office and a Volunteer Coordinator will contact you right away to schedule a build day or week with your group. Contact us at 269-925-9635 if you have any questions.

Thank you so much for your interest and support of Harbor Habitat for Humanity!
